WHITE MAN KILLED

BY SHERMAN NEGRO Cashier of Restaurant Shot

to Death by Angry Black. Sherman, Tex., Oct. 17 .- Ernest Johnson, cashier of the Crystal cafe, aged 22, was shot and killed at midnight

with whom Johnson had a controversy an hour before. Maxey, it is claimed, slipped behind a column and emptied a single barrel shotgun at close quarters, the load tearing the cashier's head and neck to pieces. Johnson was talking to patrons at the time. The negro was captured early this morning by Lee McAfee and

last night by Wood Maxey, a negro,

Ross Stark, and jailed here, charged Johnson was unmarried. This is the second murder of a white man by ne groes here in the last 30 days, and

citizens are indignant. This morning a mob of 200 men sur-rounded the county jail where Maxey was incarcerated and decided , they would not permit the officers to take the negro from Sherman. At noon sheriff Sam Rich took Maxey from the jail, walked hurriedly around the edge of the mob and with Maxey, boarded an interurban car en route to Dallas.

Supposed He Was Run Over By Freight Train: Two Men Arrested.

The finding of the body of Placido Saltero on the track of the G. H. railroad near the brewery in East El Paso, and his head 20 feet distant, has re-suited in the arrest of two Mexicans and Jesus Pera, who are detained at the county jail on the charge of assault pending a full investigation of the case. Saltero's body was found Sunday morning at 8 o'clock. A freight train had passed the point at 4 o'clock and the idea has been advanced that Saltero was killed by the train. The watch of the dead man, which stopped at 4:03. is supposed to indicate the time that he was hit by the train. The arrest of Portillo and Pera, effected Sunday by deputy constable Varilla, is due to the fight alleged to have occurred Saturday night between the three men, and others, following a dance in the south part of the city.

A trail of blood along the track in

the vicinity of where Saltero's body was found, leads city detectives to think that he was hit and killed by the train. Saltero has been employed as driver for the El Paso Brewery company for

the past 10 years. He was married and resided at 1105 South Kansas street. Justice E. H. Watson Sunday morning viewed the body of the dead man

Hewitt, alderman Clayton, city engi-

neer Todd and H. S. Potter, local man-

ager of the street rallway company relative to the construction of the viaducts east of the city on the smelter City engineer Todd has completed the plans for the viaducts and a decision is awaited on the part of the street railway company as to the means it will use in getting down to

the valley from the hill while the viaducts are being constructed The street railway company considered transferring passengers at the viaducts but as it will take several nonths to build the three viaducts, the idea has been practically abandoned. The construction of temporary bridges was also considered, but it was decided that the bridges would be more expen-

sive than laving a track on the proposed road, which will have a grade of about 7 percent.
